## MUSEUM OF THE 'FOCARAZZA' OF SAINT CATHERINE

IL MONTE AMIATA - ROCCALBEGNA

---

Santa Caterina, Via Roma n. 15 - Roccalbegna

### the museum

This ethnographic collection of the celebration of the Fire of Saint Catherine is housed in the premises of a former blacksmith's forge. The museum documents the work, traditions and rituals relating to the traditional celebratory bonfire, the use of fire in daily life and the wood deriving from trees of Monte Amiata. The exhibition is divided into two sections, the first of which comprises a collection of objects used for work and domestic activities related to fire. The second focuses on the "stollo"
